

You are guests in the cat's home so please be respectful! These are the rules for the cafe that need to be acknowledged before entry.

Hand wash is provided, please use on entry and when leaving the cafe.

- ❖ Do not feed the cats - they get plenty already! Always cover your food with the food cover provided to prevent paws grabbing your treats.
- ❖ Do not push the cats off the chairs or move the cats with your feet. We'll find you a seat that the cats haven't claimed.
- ❖ Feel free to walk around the cafe - not run - but do not carry your hot drinks around with you. Our cats would be very upset if you spilt it on them or anyone else in the cafe.
- ❖ The cat equipment is for cats only, please prevent adventurous children - or adults - climbing on them.
- ❖ No vaping or electronic cigarettes in the cafe at anytime.
- ❖ Please do not pick up the cats, for any reason. Feel free to pet the cats gently and the cats will love a nice fuss made of them.
- ❖ Don't wake a sleeping cat. Cats get cross if disturbed from their cat naps no matter how long they have been sleeping.
- ❖ Leave the cats to roam and come to you. Feel free to call them over but do not pull the cats from any of the walkways or play equipment. Our cats don't like being cornered so please respect their space.
- ❖ Please do not bring laser pens, play music or use flash photography. The cats are entertaining enough and they certainly have enough toys!
- ❖ Enjoy your hour with us! Explore the cafe and find all the cats you can!

Our kitties love to play so here's a few things to remember to help you get along with all the kitties in the cafe.

-  I will not pick up the cats, push or pull them back or pull their tails.
-  I will stroke the kitties gently without hurting them. I will not poke them in their eyes or mouths.
-  I will not shout or scream near the kitties. I will be calm and respectful.
-  I will eat my food and not share it with the cats.
-  I will listen to grown ups and staff and do as I'm asked.

Please make sure your children follow these rules.
We'd love both children and the cats to have the best time!
If you are unsure please ask a member of staff and ask about our cat spotting guide so kids can list all the cats they see!
